

This is a detailed topographic map of the Salt Lake Valley and surrounding regions. The map is oriented with North at the top. It features a grid system with latitude and longitude coordinates. Key geographical features include the Wasatch Mountains to the west, the Great Salt Lake to the east, and the city of Salt Lake City in the center. The map also shows the Wasatch-Cache National Park and the surrounding areas. The map is titled "SALT FLATS, UTAH" and "30X60 MINUTE SERIES (TOPOGRAPHIC)". It includes a scale bar and a north arrow. The map is a detailed representation of the terrain, showing elevation, contour lines, and various geographical features.

SCALE 1:100,000

BONNEVILLE SALT FLATS, UTAH  
N4030-W11300/30x60

1979

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

Compiled from USGS 1:250,000-scale topographic maps dated 1971-1972. Partially revised from aerial photographs taken 1973 and other source data. Revised information on field checked.

Map issued 1979.

Projection and 10 000-meter grid, zone 12.

Universal Transverse Mercator.

25 000-foot grid ticks shown on Utah coordinate system, central zone, 1927 North American datum.

To place on the projected North American Datum 1983, move the projection less 11 meters north and 39 meters east.

There may be private landholdings within the boundaries of the State.

CONTOUR INTERVAL 5 AND 20 METERS  
NATIONAL GEODESIC VERTICAL DATUM OF 1988

THIS MAP COMPLES WITH NATIONAL MAP ACCURACY STANDARDS
